MOTION TO HEAR THE SUBSTANCE

OF THE ESTABLISHED CONTRACTS

Now comes Barry-Henry: Spencer Junior injured Third  
Party to this Chapter 11 claim of the Debtor, under optional  
appearance, reserving ALL RIGHTS, moving the court to hear  
the subject matter of the private CONTRACTS, between the  
third party Plaintiff and Defendants, which has rescinded,  
revoked and cancelled any established or presumed contracts  
between the Parties, this party reserves his rights to the  
letter of the contracts, prior and included herein, and does  
not wish to enter into any contracts with the court in  
regards to its statutes, regulations, rules, procedures,

-2-

just the application of the Contracts, and whether it needs to be reconstructed, or, express the intent of both parties, unlike the prior one.

There are several contracts and issues of commercial DISHONOR, knowingly on the Debtors, and Attorneys for the Debtors's behalf. From the Proof of Claim, to the recently filed Documents with the Court, as follows:

1. Verified Declaration in the nature of an Affidavit of the Truth In Commerce, Rejection of Settlement Offer and Contract For Waiver In Tort;
2. Affidavit of Negative Averment, Opportunity To Cure, and CounterClaim;
3. Notice of International Commercial Claim Within the Admiralty ab initio Administrative Remedy [28 USC §1333, §1337, §2461, §2463-Demand for Payment \$39,000,000.00
4. Notice of International Commercial Claim Within the Admiralty ab initio Administrative Remedy [28 USC §1333, §1337, §2461, §2463-Demand for Payment \$39,000,000.00
5. Notice of International Commercial Claim Within the Admiralty ab initio Administrative Remedy [28 USC §1333, §1337, §2461, §2463-Final Demand for Payment
6. Notice of Final Determination and Judgement in nihil decit Verified Affidavit in the Truth of Barry-Henry: Spencer
7. Notice of Claim of Maritime Lien for All Third Party Defendants

These documents were originally mailed to the Debtors and Attorneys for the Debtors, at their place of business, by registered mail no. RB644 758 144 US, placing my vessel/mail/contract into International waters of law, and International commerce, thus, keeping me foreign to any jurisdiction the Debtors wish to subject me to for their own benefit, it is my choice to submit to its flags operation or not contract, and I chosen under commerce not to contract, just as they

with their unclean hands. The Debtors and Attorenyes for the Debtors failed to respond to my registered contracts, so on the day of First Default, and Dishonor, I, Barry-Henry Spencer Faxed them all the Documents 35 pages in all, on the 29th day of October 2010, ten (10) days after receiving the above mentioned Contracts.

Either that day, or, moreso, the next about around noon the Debtor, represented as Pablo Falabella, and Attorney for the Debtors, represented as Joseph S. Smolinsky, called me, on a conference call telling me I could not rescind, revoke, or cancel our prior contract for settlement, when in fact they have not provided payment, or any GOOD Faith jester, just empty promise. I told them My objective was to cash-out and purchase land, real estate, ect in this market and now I am being hindered and to sell the claim, it is only worth about  $\frac{1}{4}$  of the value, so they had to up the amount so I can cash-out at the rate I settled for, Smolinsky went into the threat of coercion and intimidation, by way of demanding of the Court I would have to stay with the settlement. I felt duressed and told him I will not contract under those terms, I was expecting my money in the mail, he spoken of some plan on the internet I told him I am not a lawyer, or fluent in His Laws, and no matter how artfully I may present the law, I cannot practice it or be held to the same standards, and to just pay Me and My family, so this can be over. If not provide the response Motions so I can file my Motions with the Court for it to review the contracts and see who's correct.

-4-

I told him I will by November 2, 2010, file my Motions UNCONTESTED, and move the court for judgement, Silence is acquiescence, agreement and dishonor. Notibly, I held these contracts until January 3, 2011, when they were eventually mailed to the Court along with an Indemnity and Discharge Bond to protect the Court and its actors ~~for any injury it~~ may cause to any other party for its ruling on the four square of the contracts between parties.

Wherefore, in common law, Commercial, Constitutional, and color-of-law jurisdictions, CONTRACTS rule the court and the court's function is simple all commerce is ruled by contract, absent a contract, there is no case, however, in this case there is substantial dishonor on the Debtors's behalf knowingly prior to, and after the Bankruptcy. My contracts never existed with the Court per se just the Debtors and contract went from color of law, to sovereign common law when the fiduciary trustees for both trust entered an agreement, however, if fraud existed there is no contract, but if another contract builds the case then the Court may rule on the letter of the contract.

6. Notice of Final Determination and Judgement in Lihil decit Verified Affidavit in the Truth  
- these documents were mailed January 4, 2011, via Aci Concord -  
these documents were mailed into the court for review of the Contract Subject matter, on January 3, 2011, after the Attorneys of the Debtors WEIL, GOTSHAL & MANGES. 767 FIFTH Avenue, at New York, in New York near [10153]; and Motor Liquidation Company, 2101 Cedar Springs Road, suite 1100 Dallas, Texas 75001, and General Motors Corporation, 300 Renaissance Center, Detroit, in Michigan near 48265-3000 Failed to Respond to Registered Mail No. RB 644 758 144 US Approved and sent out (October 18, 2010, see Annexed receipt, expected delivery 10/20/2010);

After Not Hearing from the Debtors, nor their expensive mouth pieces, Attorneys for the Debtors, on October 29, 2011 I faxed the above documents along with Affidavit of Notary Presentent and Notice of CLAIM of Maritime Lien for all parties about 2.20 pm, either that day around 4 pm or the next I recieved a call from Joseph H. Smolinsky, with Pablo Falabella, any other parties were unknown, I was asked the nature of the motions and I expressed they were self explanatory if I was to settle for an amount I should receive it,

I refused to Contract upon the terms they wanted as is, and I rescinded, revoked and cancelled our prior \$ 200,000.00 Contract, based upon the Fraud, Conspiracy, Commercial Fraud, DECEIT, Barratry and acts of Bad Faith, because the CLAIM was only worth 1/6 of its value, see "Verified Declaration in the nature of an affidavit of Truth in Commerce, REJECTION of the Settlement Offer and Contract For Waiver of FoET," Annexed hereto, they (Debtors) were given an opportunity to correct the injury to Me, but declined to (this was sent within the TIME FRAME of "TRUTH IN LENDING" to revoke a contract) There was no accord & satisfaction, or exchange of Money, consideration for rights;

The Debtors were adamant on the phone on how I had to stay with the Agreement, but I was adamant for them to raise the amount so I can cash-out, and feed my Family & Debtors, they had the "Affidavit of Negative Averment, Opportunity to Cure, and Counter Claim" and read the terms, again they wanted me to Contract with the Discloser Statement they filed before, I reminded them its a continual Barratry that has been played since 2005 when I filed in Massachusetts, and I would not Contract.

At no time did they Deny my Contracts, or refute the subject matter enclosed just there persistence they will Ask the Judge to make me Honor the Contract, I told them if that was the case then to prove their Responses to all my documents, for bundling purposes pursuant to their Rules, and the Courts Rules or, I'll File my Motions UnContested, and Demand Judgement, based upon their Silence, and presumption of Acceptance.

ON November 1, 2011 I called and attempted to fax a letter to request when I will receive the responses, in Good Faith I made a counter offer To my Counter Claim for.

1. Fully Equipt Cadillac SUV - DVD, CD, TV Sunroof, perks
2. \$1,500,000 USD

or, Provide responses to my motions due to knowingly dealing with me if deceit and Fraud, knowing my claim would not be liquidated at the market value. It seemed as if the Fax was not accepted by their system, and my calls have been ignored.

Wherefore, in Commercial and Color-of law, even common law jurisdictions, CONTRACTS Rule the Court and the Court's main function is to READ INTO the Contract and initiate the basis of Fact, of the Parties. My Contracts never existed with the Court its rules, procedures, policies, or statutes... it is between MY TRUST & MOTOR LIQUIDATIONS COMPANY'S, but that went from Color of Law, to Contract law (common law) when both Fiduciary TRUSTEES Contracted to Settle Additors, debt with its creditor, Me.

I pray the Counter Claim is Allowed and the Court moves me from an unsecured creditor, to secured creditor and ORDER MY NOTICE OF CLAIM OF MARITIME LIEN AGAINST said vessels, Third Party Defendants. ALL RIGHTS RESERVED, for the \$39,000,000.00 USD settlement due to the breach of Contract
